

NOTICE OF PROPOSED NEW AND INCREASED FEES

Weber Fire District

The Weber Fire District is proposing to increase some of its current fees and impose additional fees that were not part of the original fees adopted and imposed in 2008.

All proposed new and increased fees are related to fire and EMS standby, building, subdivision, fire protection system plan reviews, fire alarm system plan review fees, CPR class fees, specialized inspections, specialized permits, and document fees. This list is not all inclusive and may include other fees not specifically identified in this notice.

All concerned citizens are invited to a public hearing on the proposed new and increased fees.

PUBLIC HEARING

Date/Time: 12/9/2014 6:02 P.M.

Location: Weber Fire District, Station 61
2023 W 1300 N
Farr West, Utah

To obtain more information regarding the new or increased fees, citizens may contact Weber Fire District at 801-782-3580.
